TWO groups of visitors attended rehearsals Tuesday. In the morning, members of a high school chorus from Paterson, N. J., came to the school with their director, Mr. Henry Watzel, and observed the eleven o'clock rehearsal; in the afternoon, a group of women from Lawrenceville, N. J., among whom was Mrs. Anthony Coomber, former Boychoir School teacher, attended the three-thirty rehearsal. On Sunday the Princeton Monthly Meeting of the Society of Friends will visit the school in the afternoon and the following Saturday the junior choir of St. Paul's Methodist Church, Roselle, N. J., will be here.

BIRTHDAY of Richard Browning, 15, was celebrated Tuesday.

WARM weather signalized the opening of the swimming pool on Tuesday, when Mr. Jones turned on the water and a large number of boys splashed around in it as it began to fill the tank. The pool had been completely cleaned and scrubbed by groups of boys during the past two weeks. Regular swimming sessions will be held from now on as an afternoon activity.

PRINCETON Symphony Orchestra concert Monday night will be attended by a number of Boychoir students. Conducted by Nicholas Harsanyi, the program will feature the first performance of a violin concerto composed by a Princeton resident, Malcolm Peyton, and Faure's "Requiem," sung by the Princeton High School Choir.

ANNUAL outing at Asbury Park is scheduled for Saturday, May 27th.

ASSEMBLY last Friday brought the boys an interesting talk by the Rev. Wilbur Martin of Pottstown, Pa., who had been a missionary to the interior of Africa and who showed slides and exhibited a fascinating array of curios from the area he had served. Tomorrow a career conference will be conducted by Mr. Petrillo, Princeton High School guidance counselor.

COUNSELORS at camp this summer will include Richie Bassett, Dick Parks, Ted Poister, Carl Jeschke, Bill Spofford, Steve Hornberger, Tom Wallace, Pieter Strauss, Rex Fliess and Bob Rollman. . . . Weekly feature films to be shown in the barn are "At War with the Army" (Martin and Lewis), "High Noon" (Gary Cooper), "Noose Hangs High" (Abbott and Costello), "Lost Horizon" (Ronald Colman), "Here Comes Mr. Jordan" and "The Wild One" (Marlon Brando).
