STUDENT COUNCIL ELECTIONS will be held Friday morning September 22nd. The candidates are: President - Michael O'Flaherty and James Walker; Vice President - James DeLoach and Walter Wexel; Secretary-Treasurer - Craig Maus and Curt Jeshcke. The boys will deliver their campaign addresses during the Assembly Thursday afternoon. Great interest has been shown in these elections. Campaign posters and busy politicians are to be found in every corner proclaiming the merits of their "favorite." After the elections each class and the two choirs will appoint representatives to serve on the student government body for the first semester.

"SINGING FOR THE JOY OF IT", the new Decca release of the Boychoir will be made Monday, October 16th. Publicity material and order forms will soon be in the mail. Once again the folder bears an attractive picture of the boys, this time it is informal with a pastoral background.

CURRICULUM CHANGES have been made for the 1961-62 school year. Mr. Donald Wolfe, mathematics instructor, is introducing the material of the Yale Study Group at the 7th grade level. All students of grade 8 receive algebra and the ninth grade boys receive plane geometry. Reading instruction has been continued into the 7th grade, previously formal instruction stopped at sixth grade. Latin has been introduced as an academic subject in the ninth grade. Mrs. Donald Wolfe is the instructor of these two courses. Instruction in conversational French continues in grades four through seven. French is an academic subject in the eighth grade. Mr. Graham Matheson is the French instructor.

WASHINGTON'S CROSSING PARK was the scene of a happy outing of the Boychoir School last Saturday. We arrived at the park about 11:00 A.M. The boys immediately put the balls, gloves, swings, and nearby stream to use. After lunch 15 pounds of peanuts were scrambled and everybody went off to play with a pocketful of peanuts. The boys enjoyed the afternoon by catching frogs, newts, crayfish, and playing capture-the-flag.
