THE FIRST STUDENT COUNCIL MEETING of the 1961-1962 school year took place on September 25th. Various ideas were exchanged but no definite plans were adopted. At a later meeting the council appointed the editors of the Newsletter, set a schedule for the operation of the PX, and decided to use one of its members to assist Mrs. Fox and Mrs. Rhine in room inspection each day.

A COMPLETE UNABRIDGED DICTIONARY is still needed for our library. Mr. James Thompson kindly donated a dictionary for classroom use this past week. Mr. Thompson is a member of our board of trustees.
