Dear Mrs. Price,

We have just received  
a letter from our son  
John asking whether  
he might bring Bill  
home with him from  
school for the Easter

vacation. I want you  
to know at once that  
we should love to have  
him if you can spare  
him!

We live in the  
mountains of N.W. North  
Carolina, 60 miles from  
Winston-Salem on a farm.
