

Princeton United Community Fund

4 Green Street — Princeton, New Jersey

YOUR UNITED FUND . . . NEIGHBOR HELPING NEIGHBOR . . .
THROUGH THE SERVICES OF COMMUNITY
SERVICE ORGANIZATIONS.

Each year in the Princeton area, one out of three people is served by a United Fund agency as they wage a quiet yet determined and unfaltering battle against child neglect, juvenile crime, racial discrimination, broken homes, disease, hunger, old age, despair and family discord.

The dedicated volunteer-led recreation, health and welfare workers banded together under the Shield of Service of the United Community Fund are working to make — and keep a better community for us all.
