## ALUMNI NEWS

Mr. Bryant and Mr. Haley met with a small group of alumni at the school Saturday, February 10th. Plans have been made to form a choral group among the alumni in this area similar to the alumni group formed by Mr. Huffman in Columbus.

The return of a recent questionnaire by our alumni is resulting in some interesting facts about our "graduates." Ninety five percent of our alumni eligible by age to attend college are now working toward a collegiate degree or have attained it. Ohio State University has awarded 26 degrees to Boychoir Alumni.

A complete tabulation of these questionnaires will be made and reported on in the next issue of "Melody Times."
