

DAVE HOLLANDER - On Wednesday while the boys were in St. Louis, they went to the St. Louis Zoo. The boys mostly enjoyed the seals and the snakes. They took pictures and enjoyed all the sights.

RANDY REEVES - The boys all enjoyed a full afternoon at the St. Louis Zoo on Wed. It is one of the largest zoos in the world today. Most of the boys think that it was the biggest zoo they had ever seen.

ARTHUR STER - We enjoyed a two-day rest in St. Louis at the Pick-Mark Twain Hotel. The boys enjoyed going about the town, seeing movies, and eating out. The best part was getting a good ten hour sleep.

BILL JOHNSON - As a whole, St. Louis is a nice city.

JIM WALKER - On Thursday we visited a very nice club just outside of St. Louis. Mrs. E. Cunliff arranged the luncheon at this very beautiful club. The hamburgers and French fries which we had were the best I have ever tasted (outside of my mother's). One thing which surprised me was the metal chairs that were used. At first they gave the impression of being rather hard to sit on, but when I sat down the seat sank slowly down and was really quite comfortable.

WALTER WEXEL - After three enjoyable days in St. Louis, we were off again. A special luncheon was palnned on Thursday by Mrs. Cunliff. We ate at the Tennis and Bathing Club (where Stan Musial is a member). For dessert, ice cream sandwiches, bought with the rest of David Carter's birthday money, were eaten on the way to St. Charles
