SUMMER CAMP is now one-half full. Registrations are being received every day. A new playing field has been levelled and seeded for camp use this summer. It will be our largest field - app. 100'x300'. Work will begin on the tennis court within the next ten days. Our swimming pool will be opened before school closes to permit some early "dips" if our weather remains warm.

CHARLES DANNER celebrated his 14th birthday on Thursday, April 19th. Cake was enjoyed by all - Charles "enjoyed" the special treat by Mr. Bryant, Mr. Wolfe and Mr. Haley.

"THANK YOU" - is due to many parents: Mrs. Crosby has been coming to the school almost once a week and typing; Mrs. Yaches and Mrs. Ster spent a day "stuffing" envelopes this past week; we had bananas for breakfast through the courtesy of Mr. & Mrs. Yaches (this has not been the first time this year); our activity club leaders (now ended because of the Spring outdoor program) who faithfully came each week were: Mr. Wm. Gerhartz, Mr. Wm. Kelner, Mr. James Crosby, Mrs. Crosby, Mrs. Pat Jones, Mrs. Rhine, Mr. Bryant, and Mr. and Mrs. Wolfe. Mrs. Gerhartz comes to School each Wednesday evening to fold and address the weekly "Newsletter." The performance of each one of these tasks is a real service to the school.

CAMPUS CLEAN-UP DAY was held on Thursday, April 26th. The Intramural Teams chose a certain area of the campus and vigorously went to work. Judges for choosing the team doing the best job were: Mr. Jones, Mr. Bryant, and Mr. Rhine.

CONCERTS this next week will be given on Tuesday, May 1st at the Arthur Johnson School in Clark, N.J. and on Friday evening in Maplewood, N.J. for the Maplewood Women's Club.
