

children, Tyler, Holly, and Mindy.

Mr. Jones's interests are working with electric and mechanical devices, especially old cars and motor scooters.

He enjoys being with the boys very much. He doesn't have any definite future plans except to continue at the Boychoir School.

- J. Bellanca

MR. BRYANT - "The concert programs have been going well with excellent singing for the most part. Morale has been good in spite of the severe cold. Yesterday (Windom) the boys had a good romp in the gym, a much needed release of energy.

MR. WOLFE - "Larry Schrieber, photographer for the Minneapolis Star, was on hand when the boys left St. Paul to take pictures inside the bus. Arriving a half hour before our "Schoolhouse on Wheels" was ready to leave, he chatted about his excellent photography outfit and explained how he could take a picture and have it ready for the paper in a half hour. As yet we haven't seen any of his pictures but he promised to send one back to school."
