TELEPHONE CALLS for students should be made between 6:30 - 7:00 and 8:00 - 9:00 in the evening. The student phone is located immediately outside the seventh grade classroom. The bell ringing at anyother time is a great disturbance to classes, rehearsals, or study hall. If you have a message to leave with your son and the time is not convenient, call the School office and request a message be left for him. We return to E.S.T. this weekend.
