TIMES SQUARE - Friday evening a group of boys went to Times Square where they could see the latest news. Many boys also bought newspapers from their home towns. From Times Square we could see the bright lights of Broadway and the many flashing sign every where. - Nat Wordell

RADIO CITY - The last day in New York all the boys and teachers went to Radio City Music Hall. The Music Man, starring Robert Preston and Shirley Jones, was showing.

The stage show was very colorful. The Rockettes were dressed like Mexicans and were dancing to Mexican music. It was very thrilling for boys who had never been there before. - Larry Baldwin.

SUNDAY, September 30th, Lincoln Center had given us tickets for a young people's concert at Lincoln Center. Mr. Bernstein and the New York Philharmonic presented the program, "The Sound of a Hall". Mr. Bernstein told about the peculiar problems of moving into a "new home" and how every possible means was investigated to make Philharmonic Hall one of the best concert halls in the world. An interesting musical program was presented and was climaxed with a thunderous presentation of Tchaikovsky's 1812 Overture.

GARY LYON and **RICHARD WRIGHT** celebrated their twelfth birthday this past week. We all enjoyed the cake and the usual treatment!
