

1960 WINTER OLYMPICS were seen by a group of 7, 8, and 9th grade boys on Tuesday evening. The boys attended the first in a series of programs presented by the Princeton Kiwanis. The two hour film produced by "America's unique ambassador of skiing", John Jay, was a thrilling experience. The 1960 Olympics, a short tour of European ski resorts and then back to America was enlivened by Mr. Jay's sense of humor.

KOCHER YINGLING, son of Mr. & Mrs. Harold Yingling, 14 Burning Tree Lane, Trenton, New Jersey, entered the fourth grade at the Boychoir School this Monday. Kocher says, "I like singing and football."
