

## McCARTER THEATER CONCERT

The Parents' Organizations of the Columbus Boychoir School announced plans to present the Boychoir in a special Christmas concert at the McCarter Theater in Princeton on Friday, December 21st. The entire student body will present a program of Christmas music including the old and new Carols. The concert choir will be home from the fall tour and will present for the last time Menotti's Christmas Opera, "Amahl and the Night Visitors." The Boychoir has presented this opera on its fall tours for the past six years.

There will be two performances on Friday, Dec. 21st: 3:00 P.M. and 8:30 P.M. Tickets may be secured from any parent or through the School office.

## COLUMBUS BOY CHOIR RECORDS

Currently, there are three popular records by Decca of the Columbus Boychoir under the direction of Mr. Donald Bryant: "Festival of Songs" — a selection of sacred songs, is available in monaural only; "Joy to the World," a delightful collection of old and new Christmas music is available in monaural and stereo; and "Singing for the Joy of It", an album of some of the most favorite folk songs and Negro spirituals is also available in monaural and stereo. These popular recordings make excellent Christmas gifts and can be ordered through the School with an enclosed Christmas gift card to any address. Christmas orders should be placed by the end of November! Monaural albums are \$3.98 and stereo albums are \$4.98. Please add 35c to each order for postage and handling.

## MATHEMATICS CURRICULUM

Beginning this Fall, we have revised our mathematics course in the Lower and Upper Schools, adopting the "Seeing Through Arithmetic" Program of the Scott Foresman Publishing Co. in grades 4-6, and the program of the "School Mathematics Study Group," Yale University Press, in grades 7-9.

A much more mature approach to mathematics is possible using the new curriculum, and the stress is on reasoning rather than on memorization. Student response?—"Say, this new math is keen!"

### Donald Bryant

(Continued from Page 2)

came from Mr. Herbert Huffman, founder and then director of the Columbus Boychoir School, for the Bryants to join the music faculty of the Boychoir. They accepted and in 1947 began their work with the Columbus Boychoir.

A graduate of Capital University in Columbus, Ohio and the Juilliard School, Donald Bryant fills the capacity of department head in both theory and piano. Mr. Bryant, responsible for the choir's musical arrangements, has in addition written compositions for piano, voice and chorus.

Two years later, a second son was born, Stephen Lee. Fourteen years have passed and the history of the Columbus Boychoir has been closely related to the talent and skill of Mr. Bryant. In 1956 Mr. Bryant assumed full direction of the musical activities of the Boychoir with the resignation of Mr. Herbert Huffman. Under his brilliant leadership the Columbus Boychoir has achieved notable acclaim in this country and abroad. The Boychoir was the first youth group to represent the United States abroad under former President Eisenhower's Program for Cultural Presentations. The fall of this year added a new laurel to the claim for Mr. Bryant's brilliant direction when the Columbus Boychoir appeared with Leonard Bernstein and the New York Philharmonic for the opening performance at the new Philharmonic Hall in the Lincoln Center for the Performing Arts.

The Columbus Boychoir School is fortunate to have found a leader so talented and unselfish as to have given these years of direction and stability to the School.
