PRODUCTION of the "Newsletter" was delayed by the delivery of materials. Any changes in the Concert Choir's itinerary will be announced in advance in the "Newsletter."

MR. HAROLD JONES, operator of our "School house on Wheels" announces the bus to be in top shape! The complete overhaul of the engine and components last year, new rear springs, front springs re-arched, and new front tires promise a happy and safe journey.

CIVIL DEFENSE unit inspected our building last summer and has declared our basement area to be one of the most effective fall-out shelters in the Princeton area. We have regular visits by the Princeton Township Fire Department, we empty our buildings of all personnel in 38 seconds according to their report last month! The administration of the school under the leadership of its Directors and Trustees, has taken several steps to handle any emergencies of this nature.
